1. Introduction

Global Health EDCTP3 Joint Undertaking, located at Avenue de la Toison d'Or 56-60, 1060 Brussels, Belgium, acting as the Data Controller is committed to protecting your personal data and to respecting your privacy. Global Health EDCTP3 Joint Undertaking collects and further processes personal data pursuant to Regulation (EU) 2018/1725 of the European Parliament and of the Council of 23 October 2018 on the protection of natural persons with regard to the processing of personal data by the Union institutions, bodies, offices and agencies and on the free movement of such data (repealing Regulation (EC) No 45/2001).

Global Health EDCTP3 Joint Undertaking has appointed a Data Protection Officer (DPO) that can be contacted by sending an e-mail to data-protection@global-health-edctp3.europa.eu or at the following postal address: Avenue de la Toison d'Or 56-60, 1060 Brussels, Belgium.

Our [website](#) (hereinafter: "the website") uses cookies or other similar technologies (for convenience all technologies are referred to as "cookies"). In the document below we inform you about the use of cookies on our website. For the full list of cookies used in the europa.eu domain, please visit this [page](#).

2. What are cookies?

A cookie is a small text file sent to your browser and saved on the hard disk of your terminal device (PC, laptop, smartphone, etc.) when you visit a website, such as your language choice, for example.

During your visit to the site, cookies or other similar technologies may be used to improve its user-friendliness.

3. What cookies do we use?

3.1 Technically essential cookies

Essential cookies are necessary to enable you to browse the website and for the basic technical functions to work properly. For example, these cookies record the actions carried out during one of your visits and also store them when you navigate between different pages of the website. These cookies cannot therefore be disabled.

3.2 Functional cookies

Functional cookies allow the website to record information that has already been provided and offer you enhanced customised features. For example, a functional cookie is required to remember which language you prefer.

3.3. Non-functional cookies

Non-functional cookies (analytical, statistical) allow us to evaluate and improve the content of the website and the services offered there, to carry out research concerning the performance and use of the website and the services that are proposed there, to discover and solve the problems related to the Internet site as well as and to better understand what interests the users.

These cookies will only be placed on your device if you have given your prior consent.
