Processor

The b2match platform is provided and operated by b2match GmbH, which acts as a data processor on behalf of the Global Health EDCTP3 JU for the purposes of hosting and managing the networking platform.

b2match GmbH is based in Austria (Mariahilfer Strasse 17 / Top 3, AT-1060 Vienna), within the European Economic Area (EEA), and processes personal data in accordance with the applicable EU data protection legislation (servers based in the EU). Further information about how b2match processes personal data can be found in their privacy policy, available at: <https://www.b2match.com/privacy-policy>

3. Why and how do we process your personal data?

In order to participate in the networking activities organised by Global Health EDCTP3 JU, individuals are invited to create profiles on the **b2match platform**.

The b2match platform is suggested as a tool by Global Health EDCTP3 JU to all relevant stakeholders and potential applicants who would like to interact and explore collaboration opportunities in view of Global Health EDCTP3 JU calls for proposals, and aims to be a networking space that is open for months until the call deadline.

The objective is to establish a networking platform where potential beneficiaries upload their expertise and needs, meet with other potential beneficiaries, and explore opportunities for collaboration. The personal data collected through this process is used solely for the purpose of facilitating these networking activities, ensuring that participants can engage effectively and receive relevant information. The anonymised and aggregated data of the participants will also be used for statistical purposes in the Global Health EDCTP3 JU annual activity report of the year of the networking activities in which the applicants participated.

All data collected through the b2match platform is handled in accordance with applicable data protection laws, ensuring fairness, legality, and careful management of personal information.

When registering, you sign up to b2match's [terms of service](#) and [privacy policy](#), and you are requested to accept this data protection notice.

You can also provide your consent in order to subscribe to the Global Health EDCTP3 JU newsletter. You can give your consent via a clear affirmative act by ticking the box on the online registration form. For more information and to withdraw your consent, please see the Global Health EDCTP3 JU Newsletter Data Protection Notice that can be found [here](#).

You can also provide your consent in order for the Global Health EDCTP3 JU to use your data to contact you for future events and networking activities.
