Letter of Support for Masters in Epidemiology and Biostatistics for Public Health Transformation in Africa (MEBPHTA) Programme

I hereby signify our intent to support the University of Ibadan MEBPHTA programme to be funded by the Global Health EDCTP3 Joint Undertaking (Global Health EDCTP3 JU), for the Public Health Transformation in Africa.

2. The Federal Ministry of Health and Social Welfare's mission is to develop and implement policies and programmes designed to strengthen the national health system, ensuring the delivery of effective, efficient, and affordable health services to improve the health status of Nigerians, with the vision to promote the health and well-being of Nigerians through various initiatives.
3. We recognize the objectives of Global Health EDCTP3, to reduce the individual, social, and economic burden of poverty-related infectious diseases, including neglected, emerging, and re-emerging infectious diseases, in sub-Saharan Africa, and are happy to support the programme.
4. Our organization will collaborate and support MEBPHTA programme, if they are awarded the grant by:
 - a. Releasing qualified staff to enroll as Fellows
 - b. Participating in the selection processes of the Fellows
 - c. Providing mentorship and supervision mechanisms to support Fellows during the field placement
 - d. Facilitating access to databases.
 - e. Ensuring career development and retention of Fellows on completion of the programme

Thank you.

Yours sincerely,

Dr. Godwin Ntadom MBBS, M.Sc., MPH, Ph.D., M.D.

Director of Public Health
