Letter of endorsement

Dear Sir/Madam,

On behalf of **Università degli Studi di Torino - Department of Medical Sciences, C.so Dogliotti 14 – 10126 Torino (Italy), Vat Number IT02099550010** and in accordance with Council Regulation (EU) No 2085/2021 of 19th November 2021 establishing the joint undertakings under Horizon Europe and specifically Article 9 therein, I hereby submit an application to become a contributing partner to the Global Health EDCTP3 Joint Undertaking (Global Health EDCTP3 JU).

University of Turin (Unito) is among the most ancient Universities in the world, with a long research record and experience in the management of research projects. The programmatic plan of Unito 2021-2026 confirms its strong commitment towards the promotion of health, social equity and international cooperation, in accordance with the objectives of Global Health EDCTP3 JU.

Unito has a strong collaborative link with African research institution, including EDCTP2 funded research consortiums like VirTUAL and CAPA-CT2.

As a beneficiary institution, Unito is willing to support the HORIZON-JU-CSA “RAPID” proposal, submitted to the HORIZON-JU-GH-EDCTP3-2025-03-two-stage call for pandemic preparedness, for the achievement of the objectives of the WP10 and WP11, consisting in:

- Development of Bioanalytical Methods for the quantification of antinfective drugs to be trialled.
- Training of personnel from African Institutions to build capacity for PK analysis
- Cross-validating bioanalytical methods for PK analysis developed at African Institutions.

For Unito, the activities will be coordinated by the WP leader Prof. Amedeo De Nicolò, Associate Professor of Pharmacology at the University of Turin, Department of Medical Sciences.

We estimate the total value of this contribution with “own resource” (IKOP) to be EUR 391536.25, including the following:
